

# D8 GTO-40

PRICE LIST

**NO COMPROMISE**

Basic price D8 GTO-40	€ 159.600,00
21 % VAT	€ 33.516,00
<b>Basic price incl. 21 % VAT</b>	<b>€ 193.116,00</b>

Delivery costs	€ 1.000,00
<b>Delivery costs incl. 21 % VAT</b>	<b>€ 1.210,00</b>

- Preparation car / Delivery preparations
- Certificate of Authenticity
- Optional Alarm Certificate
- Professional polishing of car

Status: January 2019

## HIGHLIGHT STANDARD EQUIPMENT

### Engine and drivetrain

Audi 2,5L R5 TFSI   380++ BHP engine	✓
Ultra lightweight flywheel and racing clutch plate   7 kg weight reduction <sup>o</sup> - Improved throttle response - Including Bosch software optimisation	✓
Endurance driveshafts   Built with the highest quality components from motorsport	✓

### Electronics

Traction control system   Including Launch Control, Automatic Rev Matching and Full-Throttle Shift - Adjustable in five positions - Can be switched off	✓
Lithium-Ion battery   7 kg weight reduction <sup>o</sup> - Charger included	✓
USB or 12 Volt connector   Integrated in ignition unit	✓

### Chassis, suspension and brakes

Lightweight chassis construction   Weight optimisation through the use of high tensile steel - 5 kg weight reduction <sup>o</sup>	✓
Wide-Track suspension   For optimised balance between front and rear axle	✓
Anti-roll bar 12 mm front   Adjustable	✓
3-way adjustable Intrax shock absorbers   Including Anti Roll Control® and Black Titan technologies	✓
These innovative racing shock absorber combined with the light weight of the car allow for both extraordinary comfort and mechanical grip with lateral forces up to 2,4 G	✓
Front brakes   Tarox six-piston calipers with lightweight performance discs	✓
Rear brakes   Single-piston calipers with lightweight performance discs	✓
Slotted and grooved discs including wave design for better heat management - 1,2 kg weight reduction <sup>o</sup>	✓
Rack and pinion ratio - 3,4 lock to lock	✓

## HIGHLIGHT STANDARD EQUIPMENT

### Wheels and Tires

Front wheels | RAYS forged alloy 8" x 17" wheels in raw bronze colour - Semi-slick road tires 225/45 x 17"

Rear wheels | RAYS forged alloy 8" x 18" wheels in raw bronze colour - Semi-slick road tires 245/40 x 18"

### Body and aerodynamic

New body design | Improved aerodynamics for better air flow and heat management

Exclusive D8 GTO-40 Anniversary emblems

X-Core® patented technology upper doors | Including protected polycarbonate / ceramic windows

Lightweight prepreg carbon/kevlar bodywork

### Lighting

Halogen headlights

Daytime running lights, parking light and turn signal lights in LED technology

Tail lights, brake lights, rear fog light, turn signals, central brake light and license plate lights in LED technology

Auxiliary interior lighting

### Dashboard and Instruments

Exposed carbon fiber dashboard including MXS Strada digital colour display and three black analog instruments for turbo pressure, oil pressure and fuel level Including LED backlight

Emergency kill switch integrated in dashboard

Heating temperature adjustment integrated in dashboard

## HIGHLIGHT STANDARD EQUIPMENT

### Interior

Multifunction steering wheel in suede with quick release system and Push-Pull self-latching® connector	✓
Prepreg carbon fiber seats with manual position adjustment for the driver side	✓
Seats in black leather decorated with anniversary logo   Back of the seats painted in black or in body colour	✓
Leather storage "pocket" on passenger side	✓
Black cloth interior design: interior upholstery, tunnel upholstery, floor mats and trunk	✓
3-point automatic seat belts including tensioner and limiter	✓
Electronic immobilizer	✓
X-core® patented technology leg compartment floor pannels	✓

### Exterior and paint

Body colour: uni colour of your choice	✓
Suspension-springs in black	✓
Exhaust cover mesh in black	✓
Rollbar in black	✓
Roof in black fabric	✓
Additional paint protection through protection foil on rear fenders	✓

## OPTIONS

### Donkervoort Road Package - Including:

	excl. 21% VAT	incl. 21% VAT
Ultra lightweight air conditioning system	12.000,00	14.520,00
Sport exhaust including valve control	3.900,00	4.719,00
40th anniversary interior design package	4.200,00	5.082,00
	Normal price:	20.100,00
	Package price:	24.321,00
		17.700,00
		21.417,00

### Donkervoort RS Package - Including:

Race ABS system by Bosch Motorsport	12.000,00	14.520,00
Ultra lightweight carbon fiber rims	14.400,00	17.424,00
Ultra lightweight titanium exhaust system	6.900,00	8.349,00
Brake bias adjustment	800,00	968,00
Differential cooling system	2.350,00	2.843,50
FIA approved six-point harnesses	1.000,00	1.210,00
	Normal price:	37.450,00
	Package price:	45.314,50
		33.350,00
		40.353,50

## OPTIONS

<b>Engine and drivetrain</b>	excl. 21% VAT	incl. 21% VAT
Stainless steel free flow exhaust system   Racing sound*	1.500,00	1.815,00
Titanium free flow exhaust system   Racing sound - 11 kg weight reduction**	6.900,00	8.349,00
Sport exhaust with electronic valve   Gives the driver the possibility to choose either a racier or more comfortable sound*	3.900,00	4.719,00
Limited slip differential cooler   Developed for those who explore the limits of the D8 GTO-40's performance*	2.350,00	2.843,50
<b>Chassis, suspension and brakes</b>		
"Bilster Berg" roll cage construction   Designed for greater rigidity and increased passive safety	2.600,00	3.146,00
Anti-roll bar 12 mm rear   Adjustable for fine tuning of set-up on track	1.600,00	1.936,00
Short rack and pinion ratio   2,7 lock to lock - For a more direct steering - Ideal for track driving	1.000,00	1.210,00
Tarox rear brakes with 6 piston calipers and independant handbrake system   More consistent performance under all temperatures	1.400,00	1.694,00
Brake bias adjustment command on the dashboard   Find the perfect brake balance	800,00	968,00
Race ABS system by Bosch Motorsport   Adjustable in 12 positions - Can be switched off - Increased manoeuvrability when braking while turning - Optimised braking performance	12.000,00	14.520,00

## OPTIONS

<b>Body and paint</b>	excl. 21% VAT	incl. 21% VAT
Tubular steel chassis powder coated in the colour of your choice	550,00	665,50
Metallic body colour of your choice	2.150,00	2.601,50
Pearl effect body colour of your choice	2.750,00	3.327,50
Brake calipers painted in the colour of your choice	1.200,00	1.452,00
Polished exhaust   For a shiny finish - Raw metal as standard	1.400,00	1.694,00
Aluminium rims powder coated in the RAL colour of your choice	900,00	1.089,00
Aluminium rims painted in the colour of your choice	1.600,00	1.936,00
Extra paint protection for the nose cone, the side skirts and the rear fenders through a transparent film	700,00	847,00
Shock absorber springs and exhaust cover mesh coated in the colour of your choice	250,00	302,50

### Exposed carbon fiber

The term exposed carbon fiber refers to the unique technique allowing the characteristic structure of carbon fiber to remain visible through a layer of matt or gloss clear coat. An exposed carbon fiber component is also significantly lighter compared to a carbon fiber component painted in colour.

Carbon Package 1   Certain exposed carbon fiber components in matt or gloss clear coat Exterior   Front cycle wings - side panels - diffuser - windscreen frame including A-pillars - details in and around the engine bay - front grill and lay-in rear bumper Interior   Doors, scuttle - door sills - ignition housing - belt cover and back of the seats	5.700,00	6.897,00
Carbon Package 2   Complete car in exposed carbon fiber (exhaust cover and hood excluded) - Weight reduction of 8 kg <sup>9</sup>	27.500,00	33.275,00

### Additional options

Set of 4 ultra lightweight exposed carbon fiber rims   Unique design and performance - Reduces unsprung masses of 25%	14.400,00	17.424,00
Carbon fiber tunnel   For increased torsional rigidity and an even more high-end interior* - Not compatible with 3 point harnesses	2.400,00	2.904,00
Exposed wide weave 'hypercar' carbon fiber   Characteristic carbon weave design and reduced weight <sup>9</sup> - Available for side panels, diffuser and tunnel	4.900,00	5.929,00
Clearcoat in colour for Carbon Package 2   Through ink technology in the clearcoat, the exposed carbon fiber remains visible - Available in blue, red and green - Other colours available on demand	4.500,00	5.445,00

## OPTIONS

<b>Exterior and technique</b>	excl. 21% VAT	incl. 21% VAT
Xenon headlights*	1.400,00	1.694,00
Wind Package   Additional wind spoiler mounted on window frame - For less turbulence in the interior of the car	500,00	605,00
Alarm system Class III   Including central locking	800,00	968,00
Alarm system Class V   Including GPS tracking (subscription fees on demand) and central locking	1.200,00	1.452,00
<b>Interior and technique</b>		
Air conditioning   Ultra lightweight and uniquely small	12.000,00	14.520,00
MXS Pista digital colour display   High contrast TFT display including several display modes, datalogging and GPS live lap timing - Datalogging through wi-fi technology	1.000,00	1.210,00
Steering wheel in leather or alcantara	800,00	968,00
Donkervoort race seat   In exposed carbon fiber and upholstered in leather*	2.200,00	2.662,00
40th Anniversary interior design package   Fully customisable interior in leather, alcantara or 3D breathable material - Choose the colour of the stitching for the seat, the roof, the 6-point harnesses and the trunk cover - Includes a lumbar pump for extra back support	4.200,00	5.082,00
Black package   Fuel tank cap, handbrake handle, gear lever, bolts and washers, hinges, door mechanism and headlamp casing in black	700,00	847,00
Schroth 4-point harnesses   Black with ECE homologation	1.500,00	1.815,00
Luke 6-point harnesses including Donkervoort logo   Black with FIA homologation*	1.000,00	1.210,00

## OPTIONS

### Accessories

	excl. 21% VAT	incl. 21% VAT
Nano ceramic coating   Water and dirt repellent	700,00	847,00
Poncho in grey including Donkervoort logo   Quick replacement for the standard roof in case of e.g. short term parking	570,00	689,70
Car cover with embroidered "40" emblem and "Donkervoort" logos   Cover, piping and logos in the colour of your choice	800,00	968,00
Extra set of 17"/18" rims and tires   Forged aluminium rims in bronze colour - Slick tires*	6.400,00	7.744,00

\* Racing accessories, not homologated for road use

° In comparison to standard Donkervoort D8 GTO model

# START OF THE FIRST DELIVERIES

February 2019. For more information about the D8 GTO-40, its equipment and accessories, please do not hesitate to contact Donkervoort in Lelystad, Netherlands or in Düsseldorf, Germany.

# DONKERVOORT LEASING

We are also happy to offer you a leasing or financing option to obtain a Donkervoort. In collaboration with some solid leasing partners - for both corporate and private lease - we are able to offer competitive lease rates and financing structures. We are happy to adapt the conditions flexibly and according to your personal wishes. For more information, please contact Donkervoort Automobielen.

# PRICES

Prices are valid only when ordering a new Donkervoort. These prices are not valid for equipment or components to be retrofitted, or where no more could be taken along during the production phase.

Prices are in euros ex works incl. 21 % VAT and montage. Subject to misprints, changes in structure, shape, equipment and delivery/ time as well as color and material defects.

## FOR MORE INFORMATION

about the models, equipment and accessories from the Donkervoort program,  
please contact Donkervoort in Lelystad, Netherlands or in Düsseldorf, Germany
